Generally, we do not require that you submit documents to an outside professional credential evaluation agency; however, at times, we may advise you to use such an agency if we are unable to determine educational equivalencies. Only agencies which are members of NACES (www.naces.org) may be used in these instances.

ALL educational experience must be supported by official documents submitted directly from the appropriate issuing institution(s) to Georgia College listing courses taken (with credits/points or hours per course and grades awarded), educational degrees, certificates, and/or awards received. If documents are in a language other than English, they must include an official (certified or attested) English translation. GEORGIA WEBMBA PROGRAM

The Georgia WebMBA program offers professionals living outside the United States the opportunity to earn an accredited online MBA degree without interruption of their work and personal lives. International students residing in the U.S. in F-1 visa status are not eligible for this program due to immigration regulation restrictions. WebMBA applicants must submit a letter of intent and documentation of two years work experience and do not need to submit financial documentation. More information is available at gsu.edu/business/graduateprograms/webmba.htm.

ASSISTANTSHIPS

Applicants can apply for the International Graduate Assistantship at the time of application. These awards waive a significant amount of the tuition costs. Applicants can also compete for regular Graduate Assistantships, which waive all tuition (excluding fees) and pay a stipend each semester. All applicants who need to obtain a student (F-1) visa to study in the United States must demonstrate that they have sufficient funds to pay for tuition, fees and living expenses while at GC. You must complete, sign, and submit the Declaration of Finances form and provide a bank statement or certificate of balance prepared within the last six months. You will need to take these documents to the U.S. embassy for your student (F-1) visa interview.

We will send you the acceptance package via regular air mail. Revised 07/2019 • University Printing
Georgia College has designated a portion of its funds to assist International Students who pursue an on-campus graduate degree at GC. The university is pleased to be able to use these funds to award IGAs to qualified and deserving students.

1. A student must be regularly admitted to GC and be accepted for regular admission to an on-campus graduate program to be considered for the IGA. A student must also be eligible to work in F-1 visa status from the beginning of the first semester.

2. The IGA waives the additional out-of-state tuition fees that must be paid by all students who are not permanent residents of the state of Georgia.

3. The IGA will be awarded on the basis of demonstrated academic ability, as well as evidence of extra-curricular involvement, and financial need.

4. All award decisions are final. Once awarded, IGAs are renewable for as long as the GC Graduate student remains both academically and civically qualified.
   - To remain academically qualified, the student must: a) be a graduate carrying a full academic load of 9 hours per semester (but not more than 15 hours), AND b) maintain a minimum 3.00 grade point average (GPA). Grades will be reviewed each semester.
   - To remain civically qualified, a student must: a) participate in the planning and implementation of both the annual International Dinner and the annual International Week, AND b) provide educationally beneficial assistance to the schools and administrative offices to internationalize the curriculum, campus, and community.

5. Students who are in jeopardy of losing their IGA for either academic or civic reasons will be notified. Students will have one semester to improve their performance and return to good standing before the term ination of the IGA.

6. IGAs are required to work 10 hours per week while school is in session (as specified by the GC department to which they are assigned) for the duration of the IGA.

7. The IGA will remain in effect for one full year (including summer semester, if desired) as long as the student remains academically and civically qualified to continue receiving it. A request for renewal of the IGA must be made in April each year.

8. To be considered for the IGA, students must return the following items by the application deadline when they submit their Graduate Application for Admission:
   a) An accurately completed IGA application form, AND
   b) A letter written by the applicant explaining how their own special abilities, interests, and experience will contribute to the process of internationalization of the curriculum, campus, and/or the community, AND
   c) Letters of recommendation from two persons familiar with the applicant’s previous experience.

9. If a student is awarded an IGA and is unable to enroll at GC during the semester originally indicated, the student must re-apply for the award.

IMPORTANT NOTICE: Because of the large number of students applying for the International Graduate Assistantship, and the limited number which Georgia College is able to award, you should NOT depend on this funding when filling out your Declaration of Finances! If you are admitted to GCSU AND are awarded the International Graduate Assistantship, you will be notified by letter and your I-20 will reflect the amount of the award.
INSTRUCTIONS: If you wish to apply for the International Graduate Assistantship, please complete all 3 parts of this form, sign it, and return it with your application for admission. Please remember to include all supporting documentation with this application when you return it. Information and guidelines for recipients of the International Graduate Assistantship are on page 8 of the application packet. Please read the guidelines and information BEFORE applying for this scholarship. If you do not wish to be considered for this scholarship, please indicate so by signing the space provided at the bottom of this page.
